

## Molly Jones Board Certified in Labor and Employment Law by the Texas Board of Legal Specialization

**Dallas, Texas, January 13, 2025** – Wick Phillips Labor and Employment partner Molly Jones is now one of only 656 Board Certified Labor and Employment lawyers in the State of Texas.

Molly is a partner in the firm’s labor and employment section. She represents employers in discrimination, retaliation, and harassment claims in court, arbitration, and before administrative agencies, and litigation cases involving restrictive covenants. In addition, she routinely counsels businesses on employment policies, handbooks, disciplinary and leave issues, and drafts employment-related agreements.

The Texas Board of Legal Specialization describes Labor and Employment Law as involving “workforce issues such as employment contracts, employment discrimination, sexual harassment, wage and hour and leave, workplace safety, labor relations, and more. Lawyers in this area have specialized knowledge of state and federal labor and employment laws and advise clients on employment matters.” Standards for attorney certification are to recognize those attorneys having special competence in a specialty area and include an evaluation of attorney experience, as well as a rigorous application and testing process.
